

TRPS Parent Feedback

- Since my daughter joined TRPS my expectations have been exceeded in every way. The school is managing the daily threat of Covid without creating panic amongst parents. School communications are frequent and clear and when further info is required, the school office responds quickly and are always supportive of questions. The teaching staff are wonderful and my daughter is constantly saying how much she enjoys being at school and how her teacher and teaching assistant are kind and funny. She's happy, so I'm happy!
- The School provides a safe environment and the expectation is that pupils behave in class - I feel that this is good as children are able to concentrate on their learning and understand what is expected of them. I also consider that the wide range of learning experiences at the school to be amazing - with trips and theatre groups and I would like to thank all the teachers who make the school such a fantastic learning environment.
- I think the care and attention both of my daughters have is outstanding. Teachers are aware of every aspect of their learning, wellbeing and happiness. I have to commend all the staff at the exceptional way they have handled all the Covid-19 restrictions whilst maintaining and ensuring the children have the best learning experiences they can. I think you are all phenomenal and I am extremely proud and grateful the girls attend such a fabulous school. Thank you.
- My husband and I are very impressed with the quality of education and commitment of the staff and other parents at the school. Our son seems really happy and has made lots of friends. The pandemic does not seem to have slowed him down at all!
- I have been impressed by the school. Staff really seem to care and the atmosphere is lovely. The children are happy to go to school and if there are any concerns they are addressed with me promptly.
- I feel the school exceeds all expectations I have. All the staff go above and beyond for every single child. Recognising each child as an individual. In my opinion it is an outstanding school.
